

# Project/Population Focus Summary

(To be placed directly after Abstract in the Application)

Organization Name: \_\_\_\_\_ City: \_\_\_\_\_ State: \_\_\_\_\_

- C **Column 1, Section A** identify the top 3 services or activities to be offered through your project. Estimate the time by percent (%) to be spent providing each.
- C **Column 1, Section B** answer questions.
- C **Column 2, Section A** specify by percentage (%), the ethnic mix of the population(s) to be served.
- C **Column 2, Section B** estimate the number of unduplicated encounters and the number of persons in each category that you will serve in Year 01, Year 02 and Year 03\*.

Column 1 - Section A

| Project Focus  | % |
|--|---|
| Case Management (interdisciplinary approach)   |   |
| Community Outreach Workers (education for or use of outreach workers)                                    |   |
| Consumer Health Education  |   |
| Dental   |   |
| Emergency Care   |   |
| Health Provider Education  |   |
| Home Health Care   |   |
| Mental Health And Substance Abuse  |   |
| Mobile Clinic  |   |
| Primary Care (e.g., ambulatory services, general pediatrics, general internal medicine, family practice) |   |
| Screening/Assessment   |   |
| Telecommunications/Telemedicine (networks)   |   |
| Social Services  |   |
| Transportation (primary or major component)  |   |
| Other (project specific, please identify)  |   |
|  |   |

Column 1 - Section B

| Questions   | Yes | No |
|---|-----|----|
| Is your service area an HPSA?                               |     |    |
| Are you replicating a previously successful project? Where? |     |    |

Column 2 - Section A

| Target Populations   | % |
|--|---|
| African American   |   |
| American Indian  |   |
| Asian/Pacific Islander/Alaska Native (identify which ethnic group) |   |
| Caucasian  |   |
| Hispanic   |   |
| Other - identify   |   |

Column 2 - Section B

| Population Mix   | Numbers by Year |   |   |
|--|-----------------|---|---|
|  | 1               | 2 | 3 |
| Estimated total number of unduplicated visits by year. |                 |   |   |
| Children (ages 0-12)                                   |                 |   |   |
| Teens (ages 13-17)                                     |                 |   |   |
| Adults (ages 18-64)                                    |                 |   |   |
| Elderly (ages 64 and up)                               |                 |   |   |
| Women (primary target of services)                     |                 |   |   |
| Men (primary target of services)                       |                 |   |   |
| Special Populations (disabled, etc.)                   |                 |   |   |
| Low Income (federally defined)                         |                 |   |   |
| Migrant/Seasonal Farm Workers                          |                 |   |   |
| Other – program specific identify                      |                 |   |   |

\* Numbers in Population Mix categories will be more than 100% of total encounters because of overlap in categories.
